Dear Photographers!

The new year of 2009 starts with hope and the opportunity for creativity! We hope to see you at an event or in a class. Exhibit your work in the spring show, explore the Redwoods in the workshops or develop your digital camera skills in both PhotoCentral Workshops and Foothill Introduction to Photography classes. There is truly no time like NOW!

Wishing you joy in 2009.

All the best,

Geir & Kate Jordahl

Spring Show! Join this exciting exhibit!

An annual PhotoCentral event!

PhotoCentral Annual Spring Exhibition and Seminar

Now includes public's choice prizes and ribbons! Exhibit your work in the outstanding PhotoCentral Gallery! Come share your finest work in the PhotoCentral Annual Spring Exhibition. We will begin with a hands-on seminar on how to exhibit your work in its best light. We will discuss all aspects of the decision making process including editing, print selection, matting and mounting, framing, and signing/editioning your work. Participants will have their work

included in the PhotoCentral Spring Exhibition. The exhibition is open to all types of photography including black-and-white, color and digital. All PhotoCentral patrons

and students are encouraged to participate. Register Early!
This will fill fast!

Email Kate if you have questions.

- Seminar: Tuesday, 1/13, 7-10pm
- Mailing Party Sun TBA, 12-5 pm,
- Work Due: Thurs 3/5
- Exhibition Hanging: Sun, 3/8, 1-6pm
- Opening Reception: Fri 3/13, 6:30 pm - 9:30 pm

(fee:\$89/99)

Register at the PhotoCentral Website.

Foothill College Winter 2009 Classes open for Registration!

Don't miss out on all of the great classes!
Sign up early for Foothill College classes. Due the current state of the state, enrollment deadlines will be strict this winter. Don't miss the chance to learn and grow.

See you at a photo event or in a class, soon!

Nature Body Time: Meet the artist Margaretta Mitchell on January 10, 2009

The Photography of Margaretta K. Mitchell

Renowned artist Margaretta K. Mitchell's elegant photographs grace the walls of PhotoCentral for the exhibition "Nature Body Time." This exhibit represents close to 40 years of Ms. Mitchell's sublime creations. Her life's work has frequently explored human forms in relationship to dance, poetry and nature. The public is invited. The exhibition closes with a "meet the artist" event on January 10, 2009 from 1 pm to 3 pm. The exhibition closes on January 17, 2009.

Margaretta K. Mitchell is a nationally known artist, professional photographer, author, and educator based in the San Francisco Bay Area. She holds a Bachelor's degree in Art History and Fine Art from Smith College, as well as a Master's degree in Visual Studies in Photography from UC Berkeley.

The PhotoCentral Gallery is located at 1099 E Street, Hayward, CA and is open Monday from 5 pm to 10 pm, Tuesday and Thursdays from 10 am- 1 pm and Saturdays

by appointment. For more information, please call PhotoCentral at 510-881-6721. You can also contact us via email at info@photocentral.org or visit PhotoCentral on the web at <http://www.photocentral.org> where you will find information on classes, workshops and other events.

More Classes and Workshops at PhotoCentral: Camera I, Printing I and Historic San Francisco and California Redwoods

Learn and Grow!

PhotoCentral offers wonderful classes and workshops and great experiences to help you grow in your photography. Contact us for more info!

Camera I: Digital and Film

Camera I teaches you how to use your camera! Learn about the fundamentals of digital and traditional cameras to make great pictures. Topics include camera selection, film and digital choices, lens choices, basic flash, filters and more. Bring your camera or brochures for camera purchase to the first class.

Wednesday, 1/7 to 1/28 from 7:00-9:30pm (fee:\$79/89)

[Register here!](#)

Printing I: Introduction to Printing

Images you print yourself are better! Learn to process and print your own black and white photographs! Nothing is more magical than watching a print appear before your eyes in the developer. Film selection and types, printing from color negatives. Film development, printing, contrast control and dry mounting are covered. All chemicals and equipment are included; you provide film and paper.

Thursday, 1/8 to 1/29 from 7:00-10:00pm (fee:\$89/99)

[Register here!](#)

Historic San Francisco

Wander the waterfront and south of Market area for new perspectives on our favorite city. Visit the buildings that

show us the meaning of graceful aging. Bring your camera and walking shoes to experience this beautiful city before it changes even more! The waterfront, the hills, lands end and more. Come explore the urban landscape at its best, the historic side of our favorite city, San Francisco.
Saturday, 1/24 from 9 am to 5 pm (fee:\$89/99)

[Register here!](#)

California Redwoods: Photo Central Winter Workshop

Made a National Park in 1968 and a World Heritage Site in 1980, Redwoods National Park is filled with photographic challenges and joys alike. From the coastal views to the mysterious giant redwood trees, you will stretch your spirit and your photographic skill to capture the majesty of this place. We will begin with an evening session on Friday to discuss our plans and share some photographic techniques and then photograph all day Saturday and Sunday with a Saturday Night Potluck/print sharing session. Join us on the 2009 Winter Workshop for inspiration and community. Email Kate at kpjordahl@sbcglobal.net for accommodation information.

Fri/Sat/Sun 2/13-2/15 (fee: \$188/199)

[Register here!](#)

Visit the [PhotoCentral Website](#) for more classes and more information!
