Dear Photographers and lovers of the arts:

February starts with many possibilities and events - - we hope to see you soon in a class or at an opening. Keep moving forward in your creativity and keep in touch!

All the best,

Geir & Kate Jordahl

PRINT BIG!

Making BIG Digital Prints!

Come learn how to make big prints on PhotoCentral's state of the art digital printer, The Hewlet Packard Designjet Z3100. Each participant will go home with a print and more understanding of the digital printmaking process. The unique qualities of the 3100 allow archival photo-quality prints in both black & white and color simultaneously. After completing the workshop, participants will have access to the Z3100 during lab hours for the hourly lab fee plus ink and paper usage. Participants should bring digital files of high resolution for output. E-mail kate@photocentral.org with questions on preparation.

Email Kate if you have questions.
(fee: \$89/99)

Register at the PhotoCentral Website.

More Classes and Workshops at PhotoCentral: Camera II and Matting, Framing and Presentation

Learn and Grow!

PhotoCentral offers wonderful classes and workshops and great experiences to help you grow in your photography. Contact us for more info!

Camera II: Tools for the Imagemaker

Camera II connects the craft of using a camera to making great pictures! Expand your understanding while learning artistic fundamentals. The magic of night photography and the power of composition will be among our topics. One evening will be spent exploring the magic of night photography!

Wednesday, 2/4 to 2/25 from 7:00-9:30pm (fee:\$79/89)

[Register here!](#)

Matting, Framing and Presentation

Learn to use the mat cutter, dry mount press and the tools of archival handling for your precious photographs. Whether they are your latest creations or ancient family heirlooms, photographs require proper care and presentation to survive and be appreciated. This class will give you an opportunity to learn the skills and tools of the trade for impressive display and safe storage of photographs. Topics will include matting, double matting, mounting and framing, archival storage, display and appropriate albums. Don't miss this important technical class-no prior experience is required! You are invited to bring photographs and other artwork for matting and framing advice and boards to practice with the tools. Saturday, 2/28 from 10 am to 5 pm (fee:\$89/99)
